Re: Account No. 70021441

Dear Ms. Sullivan:

As we spoke on the telephone, we are requesting that we be allowed to pay our special assessment for Page/Isham Streets in 10 installments instead of 5. You asked that we send you a letter stating this for you to take to the Finance Committee meeting on November 10th.

In order to pay 10 installments the money due must be $1,501.00 or more, and we owe $1,435.00 which is quite close.

I (Karen) am 59 years old and am on social security disability. Being under age 65 my disability amount is considerably lower.

Bob had back surgery in September and is going to have cancer surgery next week. This results in numerous days off and his employer does not offer sick leave, thus the time off is without pay and has us struggling.

We have enclosed a check for $150.00 just in case you do approve our request. We can much better afford $150.00 than $300.00.

Your approval of our request will be sincerely appreciated and most helpful. We wait to hear from you.

Sincerely,
Bob Germann Karen Germann

Karen and Bob Germann
